

FIRST EXPERTS LOGISTICS

Total Logistics Solution — Air, Sea & Road Freight Out of Lagos, Nigeria

First Experts Logistics has moved cargo out of Lagos since 2005. We book, move, clear and deliver shipments end to end, so you're dealing with one team instead of a different contact at every stage.

OUR SERVICES

Air Freight

Consolidated, priority air freight out of Lagos with real-time status updates. Built for cargo that can't wait.

Door to Door

Pickup, transit, customs and last-mile delivery under one point of contact, including road transport out of Lagos.

Haulage

Road freight and trucking out of Lagos, for cargo that moves domestically or by road across borders, on its own or paired with air or sea freight.

Sea Freight

FCL and LCL sea freight across major shipping lanes, with port handling and documentation included.

Customs Clearance

Licensed customs clearance at Nigerian ports and airports, with documentation handled on your behalf.

E-commerce Logistics

Import and last-mile logistics for online sellers: consolidated freight, customs clearance, and delivery to your customers or warehouse.
